The Ambassador's Courtesy Call to Minister of Environment and National Beautification, Green and Blue Economy

On June 20, Ambassador Fukushima paid a courtesy call to the Honorable Adrian R. Forde, M.P., Minister of Environment and National Beautification, Green and Blue Economy.

Both discussed the progress of Japan-funded projects such as ***Improving, Institutional Frameworks for Integrated Coastal Zone Management, National Risk Information Planning Systems and Sustainable Climate-Resilient Coastal Infrastructure*** through IDB as well as ***the Project for Improving National Sargassum Management Capacities in the Caribbean*** with UNDP.

They also engaged in further discussion by interacting with staff from key departments in the Ministry, including the Coastal Zone Management Unit, the Climate Change team, and the Fisheries Division.
