

**Ambassador Fukushima's Participation
in the Code Caribbean Project Commencement Ceremony**

September 8th, 2022

On September 6, Ambassador Fukushima attended the online launch ceremony of the "Code Caribbean" project, co-hosted by the Inter-American Development Bank and others, and gave a speech.

This project aims to support the introduction and promotion of computer science in primary and secondary education. Two countries, Barbados and Belize, were chosen for pilot project, and five more countries in the Caribbean are involved. About 60% of the total budget is being contributed by the Japan Trust Fund and the project is being implemented by the the Inter-American Development Bank, the trust for the Americas Code.org and other partners.
