## Japan Exchange and Teaching (JET) Programme Question and Answer Session

If you are a motivated and dedicated Barbadian, why not embark upon a journey that will change your life through teaching English in Japan? The Japan Exchange and Teaching (JET) Programme invites Barbadian Bachelor degree holders to be involved in English language education in Japan. Applications for the JET Programme must be submitted by Thursday, December 1, 2022, at 1:00 PM. For more details, kindly visit the Embassy's website ([https://www.bb.emb-japan.go.jp/itpr\\_en/jet.html](https://www.bb.emb-japan.go.jp/itpr_en/jet.html)).

The Embassy of Japan in Barbados is pleased to announce that it will host a virtual Question and Answer session about the JET Programme on **Wednesday, November 2, 2022, at 6:00 PM**. This virtual Question and Answer session intends to showcase JET experiences, including teaching and living experiences in Japan, by inviting JET alumni as our panelists. Join us on Microsoft Teams for this informative session to start a new chapter in your life.

Individuals who are interested in participating in the programme should send us an email at [culture@rt.mofa.go.jp](mailto:culture@rt.mofa.go.jp) or a direct message on Instagram [@japanemb\\_barbados](https://www.instagram.com/japanemb_barbados) by **Tuesday, November 1, 2022**. In the email or direct message, they must provide their name, email address and telephone number. They may also include any questions they wish to direct to the panel.

The JET Programme opens a window of opportunity to Barbadians who are willing to work as Assistant Language Teachers (ALTs) who assist Japanese teachers in English language classes in elementary, junior, and senior high schools throughout Japan. It also offers a cross-cultural exchange opportunity to learn more about Japan, its language and its people.
