

## Read Japan Project Handover Ceremony Barbados Community College (BCC)

October 25, 2022

On 25 October, Ambassador Fukushima delivered a speech at the Read Japan Project Handover Ceremony, hosted by Barbados Community College (BCC) which was selected as one of the recipients of books on the application in February-March 2022.

The Project intends to raise awareness about Japan through the donation of English books about the country. The Project is operated by the Tokyo Foundation for Policy Research with financial support from the Nippon Foundation.

From Principal Alleyne's speech, the Ambassador was delighted to know that young Barbadians are interested in Japanese culture and arts.

In her speech, she articulated that the Embassy will collaborate with BCC to promote cultural exchanges and mutual understanding between both countries.
