

Handover Ceremony of the Read Japan Project Sidney Martin Library University of West Indies Cave Hill Campus

September 12, 2023

On September 12, 2023, the Handover Ceremony of the Read Japan Project was conducted at the Sidney Martin Library of the University of the West Indies (UWI) Cave Hill Campus. Aided by financial support from the Nippon Foundation, this project, being implemented by the Tokyo Foundation for Policy Research, aims to promote an understanding of Japan through the donation of English language books about Japan. Thirty-five intriguing books on Japan were handed from Ambassador Fukushima to Professor Clive Landis, Principal of the UWI Cave Hill Campus.

Ambassador Fukushima expressed her hope that UWI's students and researchers would deepen understanding of Japan through the donated books as well as UWI's educational and cultural activities.

Professor Landis (L) and Ambassador Fukushima (R)
