

The Project for Provision of Teaching and Learning Resources at Estridge Primary School

(Grant Assistance for Grass-roots Human Security Projects)

Country Saint Christopher and Nevis

Field Education, Primary Education

Grant Amount Up to 23,547 US dollars

Signing of Grant Contract September 29th, 2005

Recipient Estridge Primary School

Project Site Mansion Site, St. Kitts

Outline of the Project

The grant was used for the purchase of essential teaching and learning materials, including books and electrical equipment*.

Upon completion of the project, teachers were better equipped to carry out their vital role of educating the nation's youth.

**Please note that under the current GGP, books are not supported and teaching and learning materials could be approved under the special circumstances.*
