

Economic Cooperation Section

The Project for Construction of Skill Training Center for Vulnerable Youth

(Grant Assistance for Grass-roots Human Security Projects)

Country

Antigua and Barbuda

Field

Education

Grant Amount

Up to 89,075 US dollars

Signing of Grant Contract March 29th, 2012

Recipient

Antigua and Barbuda Waste Recycling Corporation

Project Site

St. Peter, Antigua

Outline of the Project

The content of this project was to construct a new Skill Training Center which accommodates 2 rooms. One room is a new computer lab where students can learn basic and advanced IT skills and the other is a class room which will provide a great variety of training.

Upon completion of this project, vulnerable young people are able to count on proper class rooms for their trainings and as a result improve their working abilities and incomes.
