
October 14, 2025

Ambassador Miyasaka had the meeting with Honourable Melford Walter Fitzgerald Nicholas, the Minister of ICTs, Utilities and Energy.

On October 14, 2025, Ambassador Miyasaka had the pleasure of meeting with Honourable Melford Walter Fitzgerald Nicholas, the Minister of Information, Communication Technologies (ICTs), Utilities and Energy.

During the meeting, the parties engaged in discussions and explored potential public-private partnership initiatives involving Japanese companies aimed at addressing the challenge of water scarcity in Antigua and Barbuda. The Minister also expressed his interests in Japan's knowledge and experience in Disaster Risk Reduction.
